Responsibilities

respectful, responsible, ready

- ✓ Raise your hand.
- ✓ Follow directions the FIRST time.
- ✓ RESPECT everyone's abilities and uniqueness.
- ✓ Come prepared to class.

Procedures

- ❖ Be on time to class. Tardies will be recorded.
- ❖ Upon entering the classroom, begin these tasks BEFORE the bell rings:
 - Check your mailbox for any returned papers and check to see if you need a calculator.
 - Write down the homework assignment and topic for the day at the top of your paper and in your agenda.
 - Begin your Warm-Up.
- ❖ If you need to sharpen your pencil, please do so while myself or another student is not talking.
- ❖ When getting up to get an item, please walk around the back of the room so others can still see the board.
- ❖ Items on the shelves are yours to use, but please ASK me first. Please keep these in good condition and respect them as if they were your own.
- ❖ Puzzlers are in the back of the room. You may get these before or after class, but they should not be done while the class is working together.
- ❖ You may borrow a pencil, but you must RETURN it when class is over.
- ❖ All papers should be turned into your class' designated folder in the "Grade Me" crate.
- ❖ All papers returned to you will be found in your folder located in one of the mailbox crates. The crates are separated by last name (A-J) (K-R) (S-Z).
- ❖ Please do not touch the projector or any of my supplies without asking. The computers and projectors are expensive items that are to be used with teacher supervision only.
- ❖ You will be dismissed when I give the okay, not by the bell. I will not make you late to your next class!
