Dear Parent(s)/Guardian(s):

A school home page is an exciting means of communication for students, staff, parents, and community members. The site contains information about our schools: schedules, curriculum updates, achievements, etc. Student work, photographs, and names may possibly be cited, that include your child or your child's work/accomplishments. **However, if you do not wish to grant permission for publication, we ask that this release form be returned to the school office to verify your option NOT TO include your child on the current Internet site.**

***Please note:** Guidelines for all users of the district's electronic network are posted on the technology page of the district's website ([www.wcusd5.net](http://www.wcusd5.net)). If you have any questions or concerns, please feel free to call the building principal.*
