

Curriculum and Instruction

Goal: Educational Program – Develop and implement instructional programs and services to increase each student’s knowledge and skills through the use of technology.

Strategy	Activity			Cost/Source	Responsibility	Assessment /Evaluation
	FY05	FY06	FY07			
<p>H.S. Tech Classes Courses will be developed to address college bound & work force tech needs. We will offer tech classes for students in networking and level 1 technicians.</p>	<p>Networking/Level 1 Technician Classes – Develop curriculum, plan scheduling, & hire teacher for networking and level 1 technician classes</p>	<p>Networking Class – Develop & offer a class for grades 11 & 12 in networking,</p>	<p>Level 1 Technician Class – Develop & offer classes to grades 11 & 12 that would allow them to be level 1 technicians once all coursework is completed</p>	NA	H.S. Principal Tech Supervisor	80% of students enrolled achieve at or above 85% average in classes based on performance based competency test – on-going in each of last 2 years of plan
<p>Tech Integration in Instruction We will align the integration of technology in instruction through the district’s tech skills continuum to address student needs as evidenced through gathered data. (It is important to see the district’s detailed Tech Plan for more background information.)</p>	<p>Tech Skills Continuum – Meet tech skills continuum gaps by the end of the second year of the tech plan. Major focus on student email use, particularly in grades 3 through 12</p>			\$10,000 Tech Grants	Tech Facilitator Asst. Supt.	Comparison of previous & updated curriculum maps & course outlines, formal interviews w/principals, student NextSteps survey, examination of student artifacts for quality of integration, competency based examination of products for scaffolding of skills – late winter of 3 rd year of tech plan
	<p>Curriculum Maps & Course Outlines – Arrange for continuous adjustments of curriculum maps & course outlines to include tech integration updates.</p>					
<p>Media Specialist – Tech Facilitator Improve/expand services & support through creation of media specialist/tech facilitator position – Focus on overseeing libraries & resource materials, sites, skills, & provide training in transforming tech use, &</p>	<p>Provide a media specialist – tech facilitator for grades pre-K through grade 5 to be shared by 2 buildings. (Present facilitator shared by grades 6 – 12)</p>	<p>Provide additional media specialist – tech facilitator for grades 6 – 8 junior high building</p>	<p>Provide media specialist – tech facilitator for grades 3 – 5 intermediate building</p>	<p>FY05 - \$35,000 FY06 - \$70,000 FY07 - \$105,000 District funds & Tech Grants</p>	School Board Superintendent	Increased tech based performance activities as indicated on course outlines & curriculum maps – comparisons of NextSteps surveys – late winter of 3 rd year of plan

offer one-on-one assistance in first time classroom implementation. Target to meet state benchmark gaps in performance activities, research, and tech skills continuum gap in integration of meaningful email use w/in curriculum.
