

Criteria for 4th grade Instrument Project
State Goal 25.A.2c, 26.A.2c.

Home Made Instrument

Student will create an instrument following these items:

You will research, create, and present an instrument using 3 or more appropriate items (no glass, sharp items) from home.

The instrument must be neat and able to stand up to repeated playing.

The instrument will offer at least 2 tonal contrast/dynamics.

You must tell which family the instrument belongs to and answer questions about the instrument.
